This snapshot looks at the number of current agency employees who applied to participate on IMTs in 2014.

- 2014 is the first year ICAP was used by all geographic areas to collect IMT applications. Complete prior year data are not available.
- Most geographic regions mirror national proportions, though California shows significantly higher participation by state, county, and local agencies.
- The national average of IMT applicants who are AD is 19%. In the geographic areas, AD applicants represent 13-28% of the total.
- Complete data charts with breakouts of ICS sections, agencies, and geographic areas may be viewed at:
