

NATIONAL WILDFIRE COORDINATING GROUP

National Interagency Fire Center
3833 S. Development Avenue
Boise, Idaho 83705

Memorandum

Reference: NWCG #002-2008

To: Mr. Kyle Blackman, Chief, Resource Mgmt. Branch, NIC, FEMA

From: NWCG Chair *Brian McManis*

Date: April 25, 2008

Subject: NWCG Representation on the Fire/Hazmat Working Group

Thank you for your invitation to participate with a subject matter expert on the newly formed NIMS Fire/Hazardous Materials Resource Typing and Credentialing Working Group. The NWCG greatly appreciates your continued efforts to ensure close cooperation between wildland fire and all hazard response, and we are excited about our participation in this working group.

Below I have included the names, background, and contact information of two individuals that we would like to nominate for consideration on this working group. When the selections are made, please inform us if one or both of these individuals were selected.

We look forward to our continued collaboration with your office, and extend the invitation for you to visit the National Interagency Fire Center and meet with NWCG in the future if and when time permits.

If you have questions, please contact me directly at (208) 387-5583.

Nominees:

Dalan Romero, Assistant Director, Bureau of Indian Affairs - Fire Operations
3833 S. Development Avenue, Boise, ID 83705.
Phone: (208) 387-5372
Cell: (208) 861-6536
FAX: 208-387-5581
Dalan_Romero@nifc.gov

Dalan Romero is a subject matter expert for credentialing, qualifications, and fire and all hazard incident operations.

David Haston, San Dimas Technology and Development Center
444 East Bonita Avenue, San Dimas, CA 91773
909-599-1267 Ext. 294
dhaston@fs.fed.us

David Haston is our subject matter expert for equipment development and use.
