

## Part One

<b>Introduction</b> _____	<b>1</b>	<b>Leaking or Damaged Containers</b> _____	<b>21</b>
<b>Summary Tables</b> _____	<b>2</b>	<b>Fire Extinguishers</b> _____	<b>22</b>
<b>Approved Fuel Containers and Drums</b> _____	<b>7</b>	<b>Training</b> _____	<b>23</b>
Manufacturers' Original Containers _____	7	OSHA <i>Hazard Communication</i> Training _____	23
Safety Transport Cans (UN 3A1 and UN 1A1) _____	7	DOT <i>Materials of Trade</i> Training To Transport	
Military-Style Metal Jerricans (UN 3A1) _____	8	Small Amounts of Hazardous Materials _____	23
Safety Cans (UL or FM) _____	9	Training To Transport Large Amounts of	
Two-Compartment Fuel and Oil Containers (UL) _____	9	Hazardous Materials _____	23
Pump Fuel Tanks _____	9	Refresher Training _____	24
Plastic Fuel Containers _____	10	Training Records _____	24
Drip Torches That Meet DOT Specifications (UN 3B1) _____	11		
Drip Torches That Do Not Meet DOT Specifications _____	11		
Aluminum Fuel Bottles _____	12		
Steel Drums (8 to 55 Gallons) _____	12		
<b>Approved Fuel Tanks</b> _____	<b>13</b>		
Tanks 119 Gallons or Smaller for Flammable Liquids _____	13		
Tanks Larger Than 119 Gallons for Flammable Liquids _____	13		
Tanks for Diesel _____	13		
<b>Limiting Fuel Transported To Limit</b>			
<b>Regulatory Requirements</b> _____	<b>15</b>		
<b>Labeling, Marking, and Placarding</b> _____	<b>16</b>		
Labeling _____	16		
Marking _____	16		
Placarding _____	17		
United Nations Identification Numbers _____	17		
<b>Shipping Papers and Emergency</b>			
<b>Response Information</b> _____	<b>18</b>		
Shipping Papers _____	18		
<i>Emergency Response Guidebook</i> _____	19		
Location of Shipping Papers and			
the <i>Emergency Response Guidebook</i> _____	19		
MSDSs _____	19		
<b>Incompatible Materials</b> _____	<b>20</b>		
		<b>Appendix A—Examples of Shipping Papers</b> _____	<b>59</b>
		<b>Appendix B—Trailer Inspection Checklists</b> _____	<b>63</b>
		<b>Appendix C—Estimated Weights of Full Containers</b> _____	<b>64</b>
		<b>Appendix D—Procurement Sources</b> _____	<b>65</b>
		<b>Appendix E—Sample Material Safety Data Sheets</b>	
		<b>for Gasoline and No. 2 Diesel Fuel</b> _____	<b>67</b>

## Part Two

### Information About Specific Types of

<b>Fuel Containers, Drums, and Tanks</b> _____	<b>25</b>
Drip Torches _____	25
Safety Transport Cans and Metal and Plastic Jerricans _____	28
Pump Fuel Tanks _____	33
Safety Cans _____	35
Two-Compartment Fuel and Oil Containers _____	37
Consumer Plastic Containers _____	39
Aluminum and Plastic Fuel Bottles _____	41
Manufacturers' Original Containers _____	43
Fuel in Drums _____	44
Drip-Torch Fuel, Gasoline, or Mixed Gas in Tanks _____	48
Diesel in Tanks _____	52
Fuel in Crew Carriers, Helitenders, and Engines _____	55
Fuel Trailers _____	58

<b>Appendix A—Examples of Shipping Papers</b> _____	<b>59</b>
---	-----------

<b>Appendix B—Trailer Inspection Checklists</b> _____	<b>63</b>
---	-----------

<b>Appendix C—Estimated Weights of Full Containers</b> _____	<b>64</b>
--	-----------

<b>Appendix D—Procurement Sources</b> _____	<b>65</b>
---	-----------

<b>Appendix E—Sample Material Safety Data Sheets</b>	
<b>for Gasoline and No. 2 Diesel Fuel</b> _____	<b>67</b>
