

# **P310 - Fire Prevention Education Team Member**

**Reviewed:** 2006    **Hours:** 32

## **Course Description:**

This intermediate level course was developed as part of a multi-course national curriculum covering wildland fire prevention and is designed to enhance the skills and knowledge needed for personnel to participate on a National Fire Prevention and Education Team (NFPET).

## **Objectives:**

To develop the skills and knowledge necessary to perform, in the field, as a member of a NFPET.

- Organization
- Mobilization
- Components of a NFPET assignment
- Bringing “it” all together
- Make “it” happen

## **Target Group:**

This course is designed to provide intermediate level fire prevention principles and activities and provide references for personnel wanting to serve as a member of a NFPET. It is also useful for fire prevention specialists, fire managers, public information officers and others who have wildland fire prevention, education, or mitigation responsibilities or who may host a NFPET.

## **Minimum Instructor Qualifications:**

All instructors must have a wide range of wildfire prevention experience.

Also see Instructor Certification at the beginning of the Field Manager's Course Guide.

## **Prerequisites:**

None

## **Offer Level:**

Regional, state, or area

*This **Course Description** is verbatim from the [NWCG Field Manager's Course Guide](#) (156 page PDF: **Adobe Acrobat Reader required**) and accurate as of 12-17-2009.*
