

The following are notes taken during our last conference call 6/13/2013 @ 1500 Eastern Time.

On Call: Fred, Helene, Pat, Wendy, Morgan, Elaine

Round Robin

Helene: catching up after vacation. need any issues or deficiencies resulting from the lack of having P310 and P410 as required training for prevention education team members and leaders. goal is to request those courses be required again. P101 – on hold until more funding is secured; first round of revisions for all chapters was completed and sent in to Jen Smith. Fred and Helene will discuss a date to transition the chair duties.

Elaine: working on fy14 budget. NWCG will have 3 e-share meetings (similar to live meetings/webinars) next one June 27 at 1300 Mtn time will be on glossary and communication updates; July 25 on fy14 budget and results of 3rd quarter budgets; August 22 on data standards.

Fred: mid-atlantic compact created the CYA or cool your ashes campaign; had 325 people at the wildfire academy with representation from all the agencies, 4 states, and 65 fire departments. the southern region and mid-atlantic will have a prevention and Firewise workshop Sept 10-12.

Pat: BIA and BLM have produced short video on campfire safety and will create one on youth fire setters and others; these will be posted on you tube. To view and/or download the video just click the link below. <http://youtu.be/mAuhoT-K5gI>. BIA has prevention teams in western CA, SD, and maybe NM and AZ. Sam Scranton getting traction on developing a new prevention planning tool.

Wendy: leading a strategic planning process for my team. Fire Learning Network meeting in northern Georgia with record attendance. next issue being planned for Fire Management Today is about fire adapted communities and some TNC folks are submitting articles. Note: Fire Management Today is always looking for articles so if you'd like to contribute to the fire adapted communities issue or any other issue please contact Missy Frey (mfrey@fs.fed.us)

Morgan: NPS FAM webinar next Tuesday will address overall season and budgets. New fire in Rocky Mountain NP, can find info on inciweb.

Next call on July 11 at 1500 eastern
