

Fire Weather Subcommittee

Meeting Minutes

1/25/16

Begin Time: 1000

End Time: 1100

Attendees:
Larry Van Bussum
Annie Benoit
Calvin Bailey
Darren Clabo
Jay Charney
Ed Delgado
Mark Fitch
Guests:

Name:

Larry Van Bussum

Topic:

Review/Update of Fall meeting action items table – See table in Google Drive for updates.

Discussion/Consideration:

Task 3: The FBSC is not involved in the RAWS humidity sensor maintenance discussion, now just need a recommendation from FWSC.

Rationale:

Text here.

Name:

Ed Delgado

Topic:

Red Flag Warning

Discussion/Consideration:

Just saw Eli Jacks presentation at conference – he is working on product for public consumption. Eli would like to have call with key players re: how to move forward with future of RFW program/efforts to work on it.

FWS to focus on ‘user’ product needs vs. public needs.

Larry presented RFW powerpoint.

Rationale:

Text here.
