Guests: Louise Bruck - OAS, Susie Bates – OAS, Contractor

Upcoming Schedule:

Next meeting: April 19-21 IATS spring meeting @ Holiday Inn, - Boise Airport.

April 5-8: Water ditching summit in Boise, Best Western Vista.

Fall IATS dates TBD - Recommend that RASM's & OAS Safety be on the Agenda

Cathy Barta – Chair update:

Many members not present –reviewed documents sent out– prep for Summit

Reviewed Feb draft notes – Accepted as final by members present.

Reviewed Action Items –

- IAT Website Group – decision to have next meeting Fall/October for 2016. Information has been provided from the group, work in progress.
- New – Jim Edge, put placed holder, Status of A-314 update

Updates –

- Mtn flying in process of being posted on IAT site
- A-305 out for comment, please provide input – discussed with update need to address how A-205 and 305 are presented when both are provided.
- IAT Update - Instructor list out to all to provide input, instructor rosters now avail 90 days, UATA letter/training needed updated, continued work working on increasing records access for Bureaus/USFS in IAT. For any immediate needs please send request to IAT helpdesk.
- Looking at links in A-100, i.e. OPM-6, 12 Situations....

Prep for April meeting –

- Reviewed Agenda – Invite NIAC Chair, Keith? Sean?
- Recommend increase IAT website time for Louise
- Will provide draft OPM-4 w Water ditching instructor quals recommendations after April 5-8 Summit. Will provide draft update IAT Guide.
- Status of IATS Charter provided to NIAC, NIAC reviewing.
- Status of A-314 revision? Topic last 2 meetings. Jeff to contact Donna on current revision status. Need to add this course to priority list.
