FY 15 IBC Request

IBC's budget request has been submitted to NWCG.

Incident Business Support for Critical Incident Peer-to-Peer Groups & Procuring Clinical Specialists

There are two parts to this issue (1) how to order resources when it is non-fire incident and there is not an interagency agreement is in place for billing and (2) how to quickly order and pay for public health personnel for both fire and non-fire incidents.

Billie will check with the DOI to see if there are current efforts that might help facilitate the transfer of funds. Topic will be discussed further on next month's call.

IIBMH Rewrite

Billie will work on writing the memo for the open comment period for the IIBMH rewrite and send to the group to review.
