1-866-704-5789 Passcode 223574#

Mission Statement - The Committee is established to provide strategic management of operational, qualification, and training standards for NWCG member agencies in compliance with National Incident Management System (NIMS).

Ground Rules - Only one person at a time speak. Allow people to finish before responding. If on cell phone please mute when not talking.

Date/Time: November 12, 2014 @ 0900 Mountain

Roll Call (on back)

Agenda

Standing Items:

- **Action Log Review:** Kelin Staats
- **EIM:** Kevin Conn
 - FMB discussed the EIM documents and will decide what needs to be moved forward. NWCG is in a holding pattern waiting for feedback.
- **EIM PMS 310-1:** Kevin Conn
 - Updated to reflect decisions made by OWDC in October and is posted to MFC site. Pathways were corrected. T3 positions with regards to I400 were corrected, summary of changes document was completed for communication to Exec Board.

Action Item: Kevin will work with Tim to put together the handout package for presentation to the NWCG Executive Board for the meeting on November 19th. (DD: 11/2014 Conn)

- **T2/ T2IA Crews:** Dalan Romero
 - Dalan scheduled to talk with Exec Board next week.
 - Person that was supposed to analyze survey data is no longer available. Waiting for back-up plan. Overview of survey indicated things were fine and no major change needed.

New Items:

- **310-1 FAQs**
 - Intent for this is living document, comments will continue in from the field and we will add to it. Everyone in OWDC has had a chance to look at it and provide input.
 - Is there a need to explain relationship of 310-1 document and qualifications supplement supporting document? We can do some additional work and clearly articulate that.
- **TFLD/STL**
 - Jeff put this on MFC site. Language in the document was incorporated into the EIM 310-1. The language needs to be reviewed but the concept is there.
 - Marley said IQCS incorporation is possible.
- **Endorsement Paper:** Tony Doty
 - Jason is going to present endorsement paper to the Exec Board next week to get their approval to establish a work group and figure out the endorsement process and how it affects our systems.

- EIM-310-1 Endorsements/FEMA
 - Want to make sure the Exec Board has the full picture with all of the moving parts as well as make them aware of external factors.

- Discussion about combining the OWDC and Training Committee, but there is so much work that it could be difficult.

Decisions

None

Round Table Closeout

- Add CTSP to December agenda (Koontz)
- Refresher task team update: stalled, still working on new strategic plan. For the time being refreshers are continuing on. Trying to produce a different model.
- Formal request from OAS to change the weight of a cubitainer in IRPG from 40 to 45 pounds. Based on an aircraft mishap review board recommendation. Will send out to OWDC for opinions.
