

As of March 4, 2014 there has been a reorganization and addition of new members to the Fire Use Subcommittee. Chairmanship of the committee is now a shared duty with Darryl Jones of the South Carolina Forestry Commission serving as the Chair and Stu Hoyt, Northern Rockies Regional Fuels Specialist with the US Forest Service serving as Vice-Chair. New members include; Kato Howard, State Fuels Specialist AFS – BLM serving as the Bureau of Land Management representative; Mike Frary, Colorado Division of Fire Prevention and Control serving as the Western States Representative, and Chad Bladow of The Nature Conservancy serves as the Non-Governmental Organization (NGO) representative for the committee. For the complete list and contact information for current members of the Fire Use Subcommittee click on the **Contact Us** button.

We thank Todd Richardson (BLM), Paul Langowski (USFS), Rocco Snart (CO Division of Fire) and Mike Babler (TNC) for their leadership, service and dedication to the committee and wish them well in their future endeavors.
