

NWCG CURRICULUM MANAGEMENT ISSUE PAPER #92
NAME CHANGE OF S-300 - INCIDENT COMMANDER, EXTENDED ATTACK
January 28, 2008

BACKGROUND

The course name for S-300 is inconsistent with the other Incident Commander courses (S-200 and S-400).

PROPOSAL

For consistency within the Command curriculum, the course title for S-300 should be changed from **Incident Commander, Extended Attack** to **Extended Attack Incident Commander**.

The Command curriculum would be as follows:

S-200, Initial Attack Incident Commander
S-300, Extended Attack Incident Commander
S-400, Incident Commander

ACTION REQUIRED

Adopt the new course title for S-300.
