From: Allen Deitz, PMS Working Team Chair  
Subject: PMSWT 2002 Annual Report

Attached is the 2002 Publication Management System (PMS) report. This is the annual report showing the status of NWCG documents handled within the PMS.

This year the report is organized in sections by NWCG working team, with each section showing only those documents for which the respective working team is responsible. This year also marks the first time the report is being distributed to everyone in an electronic format.

Each working team is reminded to review its respective list for documents in need of revision or elimination. Please continue to advise the PMS Working Team of any documents planned for change or removal, especially for those stocked at the Cache.

Any questions regarding the attached report should be directed to Cindy Wolf (208-387-5119, [Cindy\\_Wolf@nifc.blm.gov](mailto:Cindy_Wolf@nifc.blm.gov)).
