Subject: PMSWT 2004 Annual Report

Attached is the 2004 Publication Management System (PMS) report. This is the annual report showing the status of NWCG documents handled within the PMS.

The report is organized in sections by NWCG working team. Each section shows those documents for which the respective working team is responsible. Each working team is asked to review its respective list for documents in need of revision or elimination.

Please continue to advise the PMS Working Team of any planned document additions, changes or removals.

Any questions regarding the attached report should be directed to Cindy Wolf (208-387-5119, cindy_wolf@nifc.blm.gov).
