

## Fire Management Board

---

FMB Memorandum No. 16-006

Date: 2 November 2016

TO: John Glenn, Chair, NWCG Executive Board  
FROM: Larry Sutton, Chair, Fire Management Board  
SUBJECT: Capability Requirements for Fuels Management

The Fire Management Board requests the assistance of the NWCG Fuels Management Committee to define interagency wildland fire capability requirements for fuels management.

Please provide prioritized recommendations for those capabilities necessary to meet the needs of wildland fire with regard to fuels management. These recommendations will be the basis for a long term strategy of WFIT investments to advance the efficiency and effectiveness of fuels management related products and applications.

WFIT Lines of Business staff is available to help the FMC assess capabilities requirements. Please contact Emmy Harbo, [emily.harbo@ios.doi.gov](mailto:emily.harbo@ios.doi.gov).

A final report is requested by March 2017, with at least one progress report in the interim.

Contact Paul Schlobohm, NWCG-FMB Liaison [pschlobo@blm.gov](mailto:pschlobo@blm.gov), for coordination and questions.
