

Date form started ___ / ___ / ___
Fire Name: _____

Person responsible for form: _____
Incident Management Team: _____

Testing

1) Is testing being conducted onsite?

- Yes
- No
- Unsure

Additional information:

2) Please describe any on-site testing activities and strategies. Include information about who conducts the test?

- Who pays for the test(s)?

- Are the tests required (if so, what happens when someone does not want to be tested)?

- How are test results conducted (ensuring worker privacy and safety)?

- When will test results be received and given to the worker?

- Who provides information about the test result and interprets the test result to the worker?

- What are the fitness for duty requirements and work restriction policies while the worker waiting for the test result and after the test result is received?

- How will this information be communicated to the worker?

3) Is testing being offered or conducted offsite?

- Yes
- No
- Unsure
