August 20th

Topic

Post Meeting Update: Collaborating with Wildland Fire Leadership Council (WFLC)

- Mike Zupko presented IWDG briefing papers: Incident Workforce Development Group (IWDG) Overview and Activities, and Command and General Staff (C&G) Shortages and Incident Management Team Succession.
- Conversation stayed strategic and high level. Anticipate future requests from WFLC to discuss these issues.
- Celino will work with Mike Zupko to identify potential topics on the WFLC agenda for their fall/winter meeting in Florida.

Data Collection Status – Received State IMT Dispatches and ROSS Data

- Starting from 2009, will be assimilating the data to recreate the following reports: *Annual Qualification Health Report* and *IMT Use Per Nationwide*.
- Topic added to September agenda.

Status of the Agency Roles/Leadership White Paper

- Topic will be on the Fire Management Board (FMB) agenda. Will be seeking agency perspective and recommendations on next steps.
 - Topic added to September agenda.
-

Next Meeting: September 17, 2019, 10am Mountain Time.
