Topic

Upcoming Meeting Planning

- CGAC, January 14th, Boise, ID:
 - Address and validate items from the Evolving Incident Management (EIM) Matrix from 2011 and OG Tasking Log from 2017.
 - Use current data to update the recommendations to find if they have utility going into the future.
- NASF, January 28th, Orlando, FL:
 - Discuss and review IWDG's current efforts that includes a review of the *Issues to Address* spreadsheet from April 2019, discussion of the Recognition of Prior (RPL) effort, and the status of agency roles/leadership white paper.
- ICAC, February 24th, Boise, ID:
 - Input from Greer and Minton will steer the best approach to participating in the ICAC meeting.

Next Meeting: January 21, 2019, 10am Mountain Time.
