---

## March 17

### Topic

#### Meeting Report Out – ICAC Meeting

- Memo 20-01 sent in February, outcome of Workshop.
- ICAC held meeting in Boise in February.
- General acknowledgement of the difficulty of building IMTs and agreement that core teams will need to be reduced in size to be effective into the future.
- Presentation on IWDG efforts and discussion on recent memos lead to breakouts where participants evaluated the recommendations, asked questions, and provided possible solutions.

---

#### CGAC Memo

- Memo 20-02 sent in February, outcome of Workshop.
- Have not been met yet to discuss the memo and potential outcomes.

---

#### IMT Data Summary

- Tables on IMT usage are complete. Working to create pivot tables and visuals.

---

#### Recognition of Prior Learning (RPL)

- Tasking Memo sent from NWCG Executive Board to Incident and Position Standards Committee (IPSC)

---

**Next Meeting:** April 14, 2020, 10am Mountain Time.
