COVID-19 Discussion <ul style="list-style-type: none">FMB and NMAC direction for fire qualifications, training, and response has potential to align with IWDG proposals and efforts. Some of the adaptations implemented for this fire season have been previously proposed by EIM and/or IWDG. Opportunity to capitalize on the current responses for long-term change.<ul style="list-style-type: none">Adoption of virtual positions and/or support, for example.Identification ofArea Command Teams developingPrevette will share Southern Area Type 1 Team's virtual staging AAR notes when available.	All

Topic**Presenter**

- Haydon and O'Brien will request CGAC compile a list of activities and initiatives taking place regionally and nationally for IWDG's awareness and support. Offer for IWDG to assist and leverage as appropriate.

Updates to Charter Groups

Jesse Bender

- Provided update to all three chartering entities last week.
- All expressed support for direction and memos from IWDG. Agree communication to field is necessary but is complicated by influx of communications and preparations for fire response during pandemic.
 - Offered IWDG support or assistance in planning or recommendations, as necessary.

Round Robin – Brief mention of topics from your representative entity as they relate to IWDG.
