BACKGROUND
S-200 and S-300 are each designed to prepare students for the ICS positions of Incident Commander Type 4 (S-200) and Incident Commander Type 3 (S-300). Incident Commander Type 5 does not have a specific course. S-400, Incident Commander transitioned to the FEMA NIMS curriculum in 2014 and is now E/L 950, Incident Commander (ICT1/2).

CURRENT STATUS
S-200 and S-300 are both currently in revision.

RECOMMENDATION
Change the course titles to align with the corresponding position titles:
• S-200, Initial Attack Incident Commander to S-200, Incident Commander Type 4.
• S-300, Extended Attack Incident Commander to Incident Commander Type 3.

The name changes will be effective upon course certification.
