Subject: BLM Internet Address Changes Impacting NWCG

All BLM e-mail addresses are changing to comply with a new address standard. The new standard should be used in new documents, NWCG.gov Web pages, and in all NWCG products as they are revised. All NWCG.gov Web pages that had e-mail addresses with the extension '@nifc.blm.gov' have been changed to '@blm.gov'. If there are residual e-mail address changes that have not been made, please send an email to BLM_FA_NWCG_Webmaster@blm.gov to have the change made.

In addition to the change noted above, the following new addresses will take effect immediately. NWCG Web pages will be updated to reflect the changes on that date.
