SUBJECT: 2016 Redesign of NWCG Website

This memorandum announces the redesign of the National Wildfire Coordinating Group website (www.nwcg.gov). Please share this with the appropriate people in your agencies.

The intent of the website is to improve access to all areas of NWCG operations, including publications, qualifications, training information, correspondence, records, and various NWCG products and activities. The new site will provide users a clear understanding of why the NWCG exists, what it does, and how it is organized.

We invite you to visit the new website and, as always, we welcome your feedback. Please direct comments to the NWCG Webmaster at blm_fa_nwcg_webmaster@blm.gov.

Thank you.
