FIELD MANAGER’S COURSE GUIDE
ERRATA SHEET #1

Effective Date: October 1, 2001

Changes:

The Field Manager’s Course Guide (FMCG) has been entirely revised. Specific items to note include:

- The format for this Guide has changed.
- Course information has been updated.
- Course numbers have changed to comply with the Wildland and Prescribed Fire Qualification System Guide, PMS 310-1.
  - Numbers will be changed on the packaged course materials at the time of revision (see Revision Schedule link on the NWCG/Operations and Workforce Development Committee web page).
  - During the transition period, continue to ordered courses by the “old” number (check the NWCG National Fire Equipment System Catalog, Part 2 for the correct ordering number).
  - The “new” number will be the official reference in PMS 310-1, the qualification (red card) systems, and other documents.
  - It is suggested “new” numbers be used on course announcements, certificates and such with the “old” number in parenthesis as a reference (see examples in Guide Index).
  - The Guide will be maintained on the NWCG web page.
