

## S-230 PRE-COURSE WORK QUESTIONNAIRE

Use the Incident Response Pocket Guide to answer the following questions.

1 Why is the statement “Are there any questions or concerns” needed?

2 “UXO” stands for?

3 Can you refuse a tactical assignment on a wildland fire?

If no, explain.

If yes, what tools can you use in the decision making process?

4 Why would you not want to put a coldpack on a burn victim?

5 A good leader must be technically and tactically proficient. Explain.

6 Snag hazards are increased under the following conditions:

- 7 List three Personal Protective Equipment (PPE) items required for a helicopter flight.
- 8 List six main topics to be covered when giving a briefing.
- 9 You need a helispot in your division. What factors do you consider when choosing a landing area?
- 10 You are first on scene of a wildfire. Where do you find your checklist to give a “sizeup” to dispatch?
- 11 A ten-acre fire is approximately \_\_\_\_\_ chains in perimeter.
- 12 Your division group supervisor (DIVS) informs you that your crew will spike out for the night. What are your safety concerns?
- 13 A Type 2 helicopter with a bucket is flying in your division to drop. What tools do you need to communicate with the pilot to ensure accurate work?
- 14 How do you finalize the target location with the pilot?

- 15 Your crew has just completed a 14-hour shift initial attacking a wildfire. Where do you find your After Action Review (AAR) checklist?
- 16 Your DIVS has given you the assignment to construct indirect fireline downhill. What requirements must be met prior to engagement?

### Downhill

### Indirect

- 17 You have arrived on scene of a motor vehicle accident. What information do you report to your dispatcher?
- 18 What are the advantages of a direct attack of a wildfire?
- 19 A lookout requires what qualities?
- 20 Without consideration of slope or wind and for radiant heat only, how do you determine an adequate safety zone size for your 20-person handcrew?

21 What does the term “Last Resort Survival” mean to you?
